A Dingley man has had a sweet welcome home after returning from the "holiday from hell" to discover he won division one in TattsLotto more than a week ago.

The man held one of the six division one winning entries nationally in TattsLotto draw 3825 on 17 March 2018. Each entry took home a division one prize of \$658,157.13.

Speaking to a Tatts official to confirm his win, the happy man admitted he had only remembered to check his TattsLotto entry today.

"I'm astoundedly excited!" he exclaimed.

"We've been away and everything's gone wrong – a catastrophe, a holiday from hell!

"It's cost us a fortune and we've been discussing money and then... bingo we found out we won.

"It's a nice welcome home!

"It's incredible! It's the opportunity of a lifetime".

The man explained he had been marking his entry with the same numbers for many years.

He plans to use the windfall as a nest egg for the future, and perhaps a happier holiday.

The man, who wishes to remain anonymous, purchased his System 7 marked entry at **Nova Pharmacy Dingley**, 97 Centre Dandenong Road, Dingley.

Nova Pharmacy Dingley retail manager Sharna Sagers said it was fantastic news the winner had been united with their prize.

It's the first division one winning entry the outlet has sold since the change of ownership in December last year.

"We're so excited the winner knows they've won!" she said.

"We can't wait to sell another winning entry!"

The six winning numbers in TattsLotto draw 3825 on Saturday 17 March 2018 were 35, 33, 41, 26, 38 and 32, while the supplementary numbers were 45 and 27.

Across Australia, there were six division one winning entries – two from Queensland and Victoria, and one from Queensland and Western Australia.

The Lott's division one winning tally has now reached 323 so far this financial year, including 118 won by Tatts customers.

More chances to win!

There are more chances to win big this week with tonight's Oz Lotto offering a huge \$10 million, while Thursday's Powerball has \$3 million up for grabs.

Lucky Lotteries Mega Jackpot prize has also reached \$9.4 million for draw 1086, while Lucky Lotteries Super Jackpot prize has climbed to \$1.93 million for draw 10219.

Just imagine how you could extend your Easter Long Weekend indefinitely if you won a division one share in Monday Lotto on Easter Monday. If you're heading away, consider buying an advance entry into Monday Lotto draw 3752 so you don't miss your chance to win a guaranteed \$1 million.

Tickets can be purchased at any Tatts outlet, online from thelott.com or via the Lott mobile app.
