Only available at participating Nova Pharmacies. Please check with your local Nova Pharmacy to see if this pricing is applicable. A prescription is required for these products. Concession card holders will pay the prescribed concession amount except where medicines attract a brand or therapeutic price premium. Customers must always read the label and seek professional advice if conditions persist. * Prices are for private dispensing and are not claimable on the NHS. Government legislation prohibits the discounting of NHS items. All prices include GST and are subject to change without notice. Prices valid until 30th September 2017.

Only available at participating Nova Pharmacies. Please check with your local Nova Pharmacy to see if this pricing is applicable. A prescription is required for these products. Concession card holders will pay the prescribed concession amount except where medicines attract a brand or therapeutic price premium. Customers must always read the label and seek professional advice if conditions persist. * Prices are for private dispensing and are not claimable on the NHS. Government legislation prohibits the discounting of NHS items. All prices include GST and are subject to change without notice. Prices valid until 30th September 2017.

Only available at participating Nova Pharmacies. Please check with your local Nova Pharmacy to see if this pricing is applicable. A prescription is required for these products. Concession card holders will pay the prescribed concession amount except where medicines attract a brand or therapeutic price premium. Customers must always read the label and seek professional advice if conditions persist. * Prices are for private dispensing and are not claimable on the NHS. Government legislation prohibits the discounting of NHS items. All prices include GST and are subject to change without notice. Prices valid until 30th September 2017.
